SUMMARY

Nationally competitive freestyle snowboarder and AP Scholar balancing a 20+ hour weekly training and travel schedule with rigorous academics at Vail Ski and Snowboard Academy. Founder of Afora, a multi-LLM AI orchestration platform in live Alpha. Certified German proficiency (DSD I, B1). Known for discipline, time management, and performing under pressure.

EDUCATION

Vail Ski and Snowboard Academy, Class of 2026 — Vail, CO · Cumulative GPA 4.05 2023 – 2026

Cherry Creek High School — Cherry Creek, CO 2022 – 2023

EXPERIENCE

Afora — Founder & Developer — Edwards, CO 2026 – Present

- Building a multi-LLM AI orchestration platform that connects Claude, ChatGPT, Gemini, and Kimi to a shared context layer (the "Brain"), so users and their AI agents never repeat context across tools or sessions
- Designed and built the full stack: TypeScript/Next.js frontend, Python backend, Supabase database, multi-LLM integration over CLI and API; live product in Alpha at aforademo.com
- Built the core product surfaces: a goal board that auto-routes tasks via a manager agent, a sub-agent "workers" system with per-agent LLM selection, and usage tracking across connected models
- Running product discovery with early pilot users; collaborating with a partner developer on deployment across a multi-tenant server fleet

Ski and Snowboard Club Vail (SSCV) — Competitive Freestyle Snowboarder — Vail, CO 2022 – 2026

- Qualified for Slopestyle, Halfpipe, and Boardercross Nationals (2024); Slopestyle Nationals (2025); Futures Tour (2025, 2026); Gold Camp with US Team (2024)
- Landed cab 900 and back 900 in competition; 22 hours a week, 35 weeks per year alongside a full academic load
- Trained independently abroad: Austria (2023–2025), Japan (2025), and Elite Snowboard Training at Cardrona, New Zealand (2024, 2025) — 6 days a week while completing online schooling and living on my own

Vail Ski and Snowboard Academy — Peer Tutor, Algebra 1 through Pre-Calculus — Edwards, CO Fall 2025 – Fall 2026

- Differentiated instruction for high-school math students, 4 hours per week across 15 weeks

MoonStone Landscaping — Crew Member — Eagle-Vail, CO Summer 2025

- Full-time (40 hrs/week) soil prep, grading, mulching, erosion control, and installation of lawns, gardens, and plant beds to client specifications

Family Learning Center — Childcare Assistant & Facilities Volunteer — Edwards, CO 2023 – 2026

- Supervised groups of 3- to 5-year-olds and assisted with classroom upkeep and signage

Cherry Creek High School — Captain, Freshman Soccer — Cherry Creek, CO 2022

- One of four captains; team leader in assists during an undefeated season
